

Parking Lot Painting and Renumbering

will be happening this spring. When you see the workers, please move your vehicles out of the way.

And, although this seems very obvious, we must remind you to not drive over the lines or numbers until they have had a chance to dry.

Back Patio Clean-Up

It has been brought to our attention that many people are allowing their back patios to become cluttered and overrun. Now that the weather is nice, please make a special effort to clean up your back patio area. Remember, your neighbors have to look at your patio, so let's make our areas as nice as possible!

If you are a new owner and the previous owner had a garden in the back of your unit that you do not want to maintain, please contact Rolar Management to have the area seeded with grass.

***Thank you for helping to keep Longmeadow
beautiful!***
